VIOLENCE REDUCTION PROGRAM

*Would you like to make your community safer
and share your perspective?*

**WE ARE KICKING OFF A THREE-
YEAR VIOLENCE REDUCTION
PROJECT. THE COMMUNITY
WILL WORK TOGETHER TO
LEARN MORE ABOUT THE
CAUSES AND IMPACT OF
VIOLENCE AND COME UP WITH
AN ACTION PLAN TO SERVE
THOSE MOST AFFECTED.**

HOW TO GET INVOLVED:

Represent your community:

We are seeking passionate community members who can represent their neighborhood or block. We hope to form a team that represents various community perspectives. The team will work with other partners to direct project resources. The team will also create an action plan that will help reduce violence in the neighborhood.

Share your perspective:

We would like to learn more about the causes and impacts of violence in the community. We are looking for community members to share their experiences and feedback. These interviews will also tell us more about neighborhood strengths and opportunities.
